Kei roto i te wai?

Is it in the water?

Kōkopu

Īnanga/Matamata
Whitebait

Ngā Repo o Aotearoa

He wāhi taonga ngā repo (he rite te mahi o ngā repo ki ngā whatukuhu, ngā hautai o te whenua -

Ngā whatukuhu o Papatūānuku – e tātari ana te whenua me te wai). E hia ōna rauemi, ka mutu, he nui hoki ngā tikanga ahurea Māori e whai pānga ana ki te repo, hei taurira: he mahinga kai, he kohinga rongoa, ko te raranga, ko te waihanga whare hoki.

He taiao ahurei ngā repo mā ngā momo taonga, arā: ngā ika taketake – tuna, kōkopu, ĩnanga; ngā manu – matuku, kawau; ngā tipu – tī kouka, harakeke.

He mea nui ngā repo ki te oranga, te kaha, me te mataora o ngā whānau/hapū/iwi. Ākona ki te tiaki me te whakarauora i ēnei mea kura o tātou, ō tātou repo: www.landcareresearch.co.nz/wetland-handbooks
